Adults Supporting Kids (ASK) - help us improve our new website

Department of Human Services is inviting parents, caregivers and young people to help to test a new early help and support website called Adults Supporting Kids - ASK.

You are invited to participate in a two hour workshop where you will hear briefly about the ASK website and how it has been developed. We will then invite you to provide feedback on the ASK website; your thoughts on the look, content and how easy the website is to use.

There will be two sessions:

Southern forum

Port Noarlunga Surf Life Saving Club
Saltfleet Str & Esplanade, Port Noarlunga
Thursday 11 February from 9:30-11:30am

Northern forum

Stretton Centre
307 Peachey Rd, Munno Para
Friday 12 February from 1pm-3pm

There are limited places available for both workshops so please register your interest as soon as possible!

Morning tea or afternoon tea will be provided during the workshops.

Please let your Community Development Coordinator or contact person know if you are keen to play a part.
