Quality Improvement Plan Summary

Avenues College Children's Centre

Service approval number:
SE-40017348

Goals	Challenge of Practice	Success Criteria
<p>To extend children's ability to build their own knowledge and to share, listen and extend their ideas with their peers.</p>	<p>If we refine our collaborative analysis process of pedagogical documentation to enhance our planning for sustained shared thinking experiences, we will see and hear more children building their own knowledge and sharing, listening and extending their ideas with peers.</p>	<p>In the analysis of Pedagogical Documentation and parent feedback we will see and hear more children building their own knowledge and sharing, listening and extending their ideas with their peers.</p> <p>This may look like:</p> <ul style="list-style-type: none"> • Children clarifying a concept • Children problem solving with peers and educators • Children evaluating their learning, or an activity • Children extending a narrative • Children sharing their ideas and theories effectively • Children engaging in SST verbally or non-verbally.
